Custom Design Sampling

Bulk Production Flow

1. Bulk Order Form

Once the sample is approved, we provide a detailed bulk order form outlining the specifics of your order, including quantities, sizes, and any custom requirements.

2. Deposit Received

We require a deposit to confirm your order and begin the production process. This secures your place in our production schedule and allows us to procure materials.

3. Fabric Selection

Our team sources and selects the fabric according to your specifications, ensuring it meets the required quality and aesthetic standards.

4. Printed Fabric

If your design includes printed fabrics, we proceed with the printing process, ensuring vibrant and accurate reproduction of your patterns and colors.

5. Choose Accessories

We help you choose the perfect accessories, such as buttons, zippers, and labels, to complement your design and enhance the final product.

6. Approval Label

Before proceeding, we provide a sample label for your approval. This includes brand logos, care instructions, and any other necessary information.

7. Cutting and Sewing Process

Our skilled team cuts and sews the garments with precision, following the approved sample and specifications to ensure consistency across the entire order.

8. Quality Control

Each garment undergoes rigorous quality control checks to ensure it meets our high standards. We inspect for fabric quality, stitching, and overall finish.

9. Full Payment

Once the quality control checks are complete, we request the final payment. This ensures all financial aspects are settled before shipping.

10. Packing

Once the quality control checks are complete, we request the final payment. This ensures all financial aspects are settled before shipping.

11. Shipping Worldwide

We offer worldwide shipping, delivering your order to your specified location efficiently and reliably.

12. Customer Received

Finally, you receive your order. We strive to exceed your expectations with every delivery, ensuring you are delighted with the final products.
